

Deksmart Project Profile

Deksmart Product
68mil Beachwood Plank
68mil Sahara Beige

Completion Date
April 2017

Location
Montreal, QC

Overview

These home owners needed a code compliant waterproof solution for their large deck, but wanted an elegant, stylish design. The professional commitment of Deksmart applicators was demonstrated when Marc from Best Deck brought his waterproofing expertise to this new home. This large deck was completed with Deksmart Beachwood Plank flooring, combined with a Deksmart Sahara Beige outside perimeter border to enhance the look.
