

Deksmart Project Profile

Deksmart Product
68mil Beachwood Plank

Completion Date
June 2017

Location
North Vancouver, BC

Overview

Authorized Deksmart applicator Celsky Vinyl Sundecks & Railings specialize in complete sundeck remediations in greater Vancouver, and this project was no exception. These homeowners wanted a total re-fresh, complete with a deck extension, new flooring and railings to enhance their outdoor entertaining space. Construction began with a complete reconstruction of the deck and concluded with the installation of new Deksmart Beachwood Plank vinyl decking and glass railings.
